

The Centre for Facilitation of Investments (CFI) is Haiti's national investment promotion agency and the first port of call for investors looking at opportunities in Haiti.

CFI's dedicated and skilled staff is available to support investors throughout the investment process by:

- Providing general and customized information to support the investment location assessment and facilitating access to regulatory authorities;
- Supporting site visits to Haiti by identifying potential investment targets and arranging suitable meetings and introductions that could support the investment decision process;
- Identifying suitable sites; and
- Providing post-establishment support.

INVESTING IN HAITI

INVESTING IN HAITI

One of the fast growing economies in the Western Hemisphere, the Caribbean's first independent nation is set to take off.

Haiti's economy boasts a growing range of business and leisure activities, from manufacturing to agribusiness to high-end hotels. With exceptional labor skills, proximity to markets, language capabilities, and competitive business costs, Haiti provides an environment where businesses can take off. Bolstered by public and private investment in infrastructure and propelled by its diversely talented population of over 10 million, Haiti's investment opportunities are better than ever.

1 EXCELLENT GEOSTRATEGIC POSITION

LOCATION

- Shipping time is up to 3 days to the U.S. and Latin America and up to 10 days to Western European ports.
- Located 90 minutes by plane from Miami, Haiti is a near-shore destination for investment that allows easy direct supervision trips.
- Same time zone as the East Coast U.S.A.

TRADE PREFERENCES

- Haiti, as a Least Developed Country (LDC), enjoys preferential trade access to 17 developed country markets, as well as access to the European Union through the Everything But Arms (EBA) scheme.
- Unparalleled duty-free access to the U.S. market for the apparel sector through the HOPE II and HELP legislation.
- As a member of the Caribbean Community (CARICOM), Haiti benefits from a trade and investment agreement with the United States and an expanding access to the markets of 14 other countries in the Caribbean.

Haiti has preferential access to more than one billion customers in the most attractive markets worldwide.
